President's Message

I hope everyone had a safe and restorative summer! Our B-Well team of volunteers led by Yao Zhang, Volunteer Coordinator, spent time on the phone reaching out to vulnerable households in Grandview Woodlands and Strathcona. As a community we have the highest number of seniors living by themselves. This program is to address barriers to information and resources during extreme heat and/or high risk air quality. Some residents are facing social isolation, mobility challenges and lack of means to shelter safely at home. This team provided cooling kits, fans with filters and multilingual information. If you know of a household that would like a friendly call they can reach us at 604-718-5800 x 1 and leave a message for the B-Well Team.

Thank you to all volunteers! Not only are they an important part of taking care of our community, they help at all our special events, on committees, doing tax returns, mobilizing against racism, bringing joy through performance and the arts!

Iris Hongbo is the new curator of the mini and magical Britannia Art Gallery. Iris established Unity Arts Collective as a platform and space for BIPOC and Trans/Queer artists to collaborate, which also includes Unity Radio. They have recently been involved with The Black Arts Centre (BLAC) and Idream Library showcasing their own artistic practices. Iris, Amanda (Community Arts Programmer) and the Arts and Culture Committee, also volunteers, will revise processes and procedures to the Britannia Art Gallery.

There will also be major changes in the Britannia Child Care Hub, we are working with Mount Pleasant Child Care Society, Grandview Terrace Child Care Society and Eagles in the Sky Child Care Society to explore an amalgamation under a Britannia model that embodies community decision making, unique programs and common values.

Britannia is here for the community. We have a 2021-2025 Strategic Plan [britanniacentre.org] that we will be reviewing and updating, as well as planning for priorities for 2025.

How are we doing? Only residents, our members, patrons and staff can tell us their hopes and aspirations for this neighbourhood. The board will be reaching out to the community to provide input on the direction of the Society.

For more information on how to be involved you can contact marina.montiel-mahseredjian@vancouver.ca or call the front office at 604-718-5800 x1 Pamela Dudas

Unceded Coast Salish Territories

Britannia is located on the traditional and unceded Coast Salish territories of the xʷməθkʷəy̓əm (Musqueam), Sk̓wx̓wú7mesh (Squamish) and səliwətał (Tsleil-Waututh) Nations, and we hold the heritage of these lands close in our everyday work. We aim to embrace Indigenous values and practices and are committed to reflecting Indigenous protocols and beliefs in our work.

Facility Rentals

At Britannia our mission is to foster active community building, collaboration, and grass roots education and involvement so that we can contribute to the quality of life of individuals in our catchment neighbourhoods. We recognize that our programs do not always meet all community needs—sometimes people just need space to host their own events. From space for sporting events to birthday parties, we have a great selection.

Child Care Mission Statement

To provide a range of safe, stimulating and nurturing child care programs that respect and embrace each child and family.

About our Child Care Programs

Each one of our programs is a unique reflection of its history, the community it serves, its staff members and its families, past and present. We believe that children learn about themselves, others and the world around them through play and creative expression. This allows children to learn naturally and practice important skills in the following areas:

- Social:** Communication, friendship skills, conflict resolution, sharing and cooperation.
- Intellectual:** Language and self-expression, problem solving, critical thinking, kindergarten readiness.
- Physical:** Large muscle and fine motor skills, safety and self-care skills (health, hygiene, large and fine motor development).
- Creative:** Self expression and concept development.
- Emotional:** Development of healthy self-esteem, self-confidence, self-awareness and ability to deal appropriately with emotions.

About our Staff

All of our staff are qualified as Early Childhood Educators, Special Needs Educators, Child and Youth Care Counsellors, or are Responsible Adult certified. The number of additional staff for each program is dependent upon the type of program and is always in accordance with child/staff ratios set by child care licensing regulations.

All staff, substitutes, students and volunteers are required to have a clear Criminal Record Search in accordance with child care licensing regulations. For more information, visit:
