President's Message

In times of change and uncertainty, the strength of our community is found in the connections we build and the care we show one another. Whether it's a friendly conversation, a shared laugh, or simply knowing there's a place to go where you feel welcomed, community is about belonging.

Our mission is rooted in **empowering people and community**. We believe in sharing access to facilities, education, services, and resources. By engaging grassroots leadership and encouraging volunteerism, we uplift voices that deserve to be heard. We are committed to working alongside our community through the Renewal process, ensuring that changes reflect the needs and dreams of those we serve.

Embracing Indigenous values and practices is central to our vision. We acknowledge our place on the unceded territories of the xʷməθkʷəyəm (Musqueam), Skwxwú7mesh (Squamish) and səliwətaʔ (Tsleil-Waututh) Nations, and we are guided by their leadership and wisdom. We are dedicated to creating culturally safe spaces that honor Indigenous protocols and reflect a deep respect for community, history, and tradition.

Our commitment to **nurturing creativity in inclusive spaces** means offering programs and places where people feel free to explore, create, and grow. We are here for those who want to learn, connect, and find joy in community. We are dedicated to ensuring our spaces celebrate the diversity and uniqueness of everyone who walks through our doors.

We also believe in **offering low-barrier programs and services** that are welcoming and accessible to all. We understand that barriers to participation go beyond cost and are committed to creating spaces where everyone feels safe, valued, and included.

Our journey hasn't been without its challenges. We've learned that effective communication is essential, and we are working to better use social media to engage with our community. We've also recognized the need for continued training and leadership development to empower our team. Yet through every challenge, we've seen the incredible power of community.

Looking ahead, we are excited to continue growing together, guided by a vision of equity, inclusion, and joy. We are here for you and we look forward to another year of connection, learning, and community.

Child Care Mission Statement

To provide a range of safe, stimulating and nurturing child care programs that respect and embrace each child and family.

About our Child Care Programs

Each one of our programs is a unique reflection of its history, the community it serves, its staff members and its families, past and present. We believe that children learn about themselves, others and the world around them through play and creative expression. This allows children to learn naturally and practice important skills in the following areas:

- Social:** Communication, friendship skills, conflict resolution, sharing and cooperation.
- Intellectual:** Language and self-expression, problem solving, critical thinking, kindergarten readiness.
- Physical:** Large muscle and fine motor skills, safety and self-care skills (health, hygiene, large and fine motor development).
- Creative:** Self expression and concept development.
- Emotional:** Development of healthy self-esteem, self-confidence, self-awareness and ability to deal appropriately with emotions.

About our Staff

All of our staff are qualified as Early Childhood Educators, Special Needs Educators, Child and Youth Care Counsellors, or are Responsible Adult certified. The number of additional staff for each program is dependent upon the type of program and is always in accordance with child/staff ratios set by child care licensing regulations.

All staff, substitutes, students and volunteers are required to have a clear Criminal Record Search in accordance with child care licensing regulations. For more information, visit: britanniacentre.org/services/licensed_childcare

2025 Micro Footie Spring League (April 12 - June 14)

Welcome to Britannia World Cup Micro Footie. Our mission is to provide a top class community sporting experience in wonderful Spring weather for players ages 4 and up (including a 18+ Women's program) using a small-sided game format which encourages player involvement and participation. Equally fun and exciting, every week we create a World Cup tournament environment with country flags as players team up and play for World Cup countries: Brazil vs Argentina, Italy vs England are just some of the weekly rivalries. We value fun, development, inclusion, sportsmanship, creativity, mentorship, and team camaraderie. These values go hand in hand with being part of the East Vancouver community where players make new friends as easily as creating goal scoring opportunities.

This year will be our 32nd year offering Britannia World Cup Micro Footie to the East Van community! Saturdays are game days at Empire Bowl with practices at our local fields. Registration includes playing soccer outside twice a week for 9 weeks, a custom World Cup country kit to keep (shorts, socks, and shirt), team photo, a season finale tournament that includes surprises. And the final bonus, fingers crossed, usually wonderful weather too. Full program details at britanniasoccer.org.

Program Cost: \$192/player.
Registration: Registration is ongoing until divisions are full. Register online at vanrec.ca and in-person at the Info Centre.

City Wide Day Camp "Play it Fair" Training (16+yrs)

Staff will learn the games of the toolkit, the theory behind them and how they can be used to promote values. Feedback specific to Vancouver's use of Play it Fair indicates that children enjoy the activities and are integrating the values of respect, cooperation, respect for diversity, fairness, inclusion, responsibility and acceptance into their daily attitudes and behaviours. The toolkit has helped reinforce children's self-esteem, leadership skills, and capacity to solve their own conflicts. Play is used as a vehicle for dialogue and participatory debriefing by staff and campers, an important training focus. We recommend daycamp coordinators and leaders who are not familiar with, or want to brush up on their skills to attend this 4 hour training.

Art Therapy - Connecting to Self (18yrs+)

Join art therapists Jill Sones and Andrea Rodgers for a 5-week art therapy group focused on connecting with creativity. Each session centers on building a connection with the materials, offering a gentle pathway for self-discovery and insight. If you are struggling with your mental health, this group is best used in conjunction with individual mental health support. It is not intended to replace, nor should it be a primary source of, mental health support. No prior art experience is needed. Basic materials are provided, but you're welcome to bring your own.
