

Britannia Funseekers Daycamp

Welcome to Britannia Funseekers Summer Break Daycamp 2026!!

Our leaders have been working hard planning games and activities to provide your child(ren) with a fun and safe Summer break! Our goal is to provide your children a FUN filled school break. Each day will be filled with games, crafts and activities to keep your kids busy, and we've planned for a few outtrips using both public transit and charter busses!

*** If your child is sick, or has been in contact with someone who has symptoms, do not send them to camp. If your child is sick at camp, we will send them home.**

*Electronics, money, and personal games/toys/stuffed animals are NOT allowed at camp

*Camp (youngers, older or both) may walk to Grandview Park, Victoria Park or Woodland Park throughout the week

*Please feel free to talk to staff with any information that may optimize your child's experience at Britannia Funseekers.

Is the Participant “Group Ready”?

Recreation day camps are group-based programs where kids make friends, play, and learn together. Children should be group ready, meaning they can take part in the group most of the time. A group-ready child can:

- Be in busy, active group spaces
- Listen and follow directions from staff
- Play, join activities, and stay safe with others
- Move between activities with support and handle sounds, lights, and crowds (staff can help with transitions and sensory needs).

If a child spends more than 30% of the day away from group activities, staff may talk with parents/guardians to review if camp is the right fit and to explore supports or accommodations to help the child stay safe and take part in the program. Our goal is to help every child be safe, included, and part of the group as much as possible.

Britannia Community Services Centre reserves the right to re-evaluate a participant's registration if:

- The participant's needs cannot be safely met
- The participant poses a danger to themselves or others
- Staff are unable to support the care level necessary for a participant's safe and successful program experience
- The participant's medical, physical or behavioural condition is significantly different to what was disclosed
